FLASH 180™ Battered Sous Vide Chicken Tenders are a slam dunk gamechanger that redefine what the chicken strip can do for your operation.

Faster and Safer

With fry times less than half of cooked from raw or frozen,* our fully cooked chicken tenders eliminate cross contamination and reduce prep time.

Real Tenderloin Difference

We use true, whole muscle chicken tenderloins for a premium quality product with superior texture. Sous vide cooking locks in the juices and provides a more tender bite. The difference is deliciously real.
